

日本的飲食生活形態與設計

四季分明的日本，隨著景緻多變的自然環境，因而發展出四季不同的飲食文化。時代及生活型態的改變，帶來了飲食文化的持續創新風格。隨著新的社會、經濟環境的改變，日本飲食文化在 Taiwan 中，將分成四個主題以介紹日本飲食文化。

Japan has four distinct seasons and is blessed with rich natural environment. Through the valuing of nature, the country has developed a unique food culture, which has gone through many transitional stages over the years. Times and changes in people's lifestyles, even today, are the driving force behind the signs of Japanese cuisines continue to be created. In the future, in Taiwan, we will introduce the relationship of nature and food culture, and a new food culture based on four core themes.
